

Allergens Statement

July 30, 2025

To whom it may concern,

This is to certify that the product Squid Ink Powder, manufactured by Welfare Food Co., Ltd., does not contain any of the major allergens regulated by the U.S. FDA, including:

- Peanuts
- Tree nuts
- Milk
- Eggs
- Fish
- Crustacean shellfish
- Soy
- Wheat
- Sesame

However, please note that this product contains squid ink, derived from cephalopods (e.g., squid).

Although cephalopods are not listed as FDA-regulated allergens, they may trigger allergic reactions in sensitive individuals.

Sincerely,
Welfare Food Co., Ltd.
